As part of your lease, you are required to keep your yard **clear of all personal items** including, but not limited to, toys, bikes, outdoor furniture, and pet related items.

Personal property left in the grass can damage SHA equipment, and **residents are responsible for repair costs.**

Swimming pools must be emptied after each use. Any standing water in a swimming pool will **result in a lease violation** as it is a major HUD Violation.

Please take a moment to thank the team for their hard work in maintaining the property!
